STAVANGER V1000

The bag for mobile use

The noble doctor's bag made of high-quality tarpaulin combined with original Cordura® exudes flair and elegance. It looks good and offers plenty of space for medical equipment and materials you need for your mission. The intuitively designed interior guarantees a perfect overview and quick access to the required equipment.

Whether you need access to a card reader, stethoscope, dressing materials or ampoules/medicines, our space-saving miracle is the right option for you. We have also taken care of documentation with our STAVANGER D2000. With it, you have space for prescriptions, a tablet and other forms of documentation which you can store in the side pocket.

Truck tarpaulin, Original-CORDURA® fabric and 3MTM Scotchlite reflective strips

B 50 x H 32 x T 26 cm
42 Litres
