SAM® MEDICAL

SAM® XT

Extremity Tourniquet

CLICK. TWIST. SECURE.

PROVEN TO SURVIVE

Engineered for rapid application, SAM XT's innovative design enables easier, faster training and intuitive use.

FEATURED TECHNOLOGY

TRUFORCE™ BUCKLE

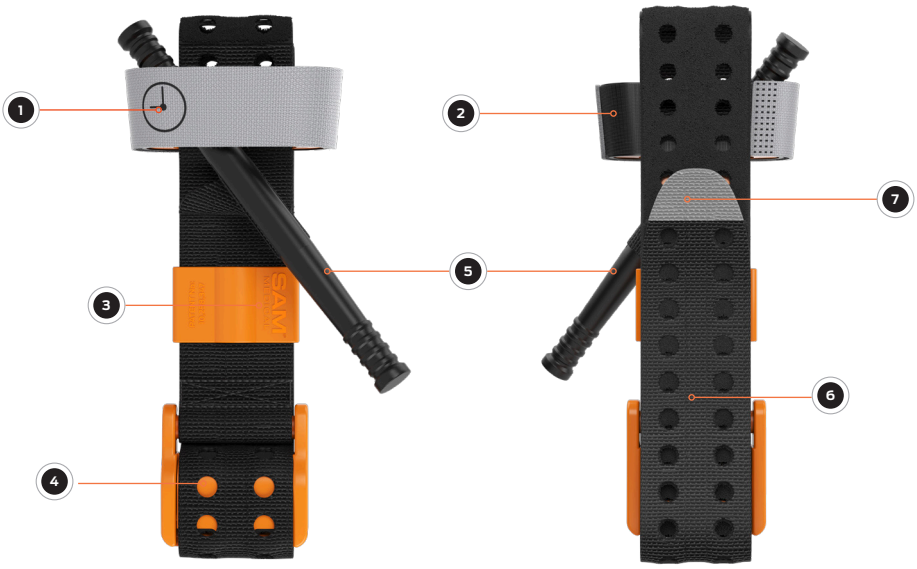

Slack is the main cause of failed tourniquet application. The TRUFORCE™ Buckle technology auto-locks to eliminate nearly all tourniquet slack by incorporating innovative baseline force control, activating the locking prongs.

SAM® XT

ENGINEERED TO PRESERVE LIFE

1. **TIME BAND**
   Weather-resistant hook and loop system allows for easy recording time of application.
2. **WINDLASS C-HOOKS**
   Secures the Windlass Rod using an intuitive angular design, making windlass locking easier and more efficient.
3. **TRUFLEX™ PLATE**
   Durable nylon construction distributes force as targeted pressure for maximum strength and flexibility, able to bend on smaller extremities without breaking.
4. **TRUFORCE™ BUCKLE**
   Innovative auto-lock technology activates locking prongs, eliminating slack typically found in other tourniquet applications.
5. **HIGH IMPACT POLYMER WINDLASS**
   Injection molded from strong, lightweight, heat and UV stable High Impact Polymer.
6. **PRECISION STRAP**
   Velcro-dependent tourniquets can fail when wet or dirty. The all-weather Precision Strap is made of single-layer nylon webbing. It features intervaled holes that lock with the TRUFORCE™ Buckle to create a consistent, efficient primary security system. The secondary hook and loop system secures the remaining strap, adding stability and safety.
7. **PRECISION TAB**
   Intuitive design allows for quicker, easier tourniquet application. Material is highly visible in low-light situations.

MODELS

HI-VIZ ORANGE
XT700-OR-EN

HI-VIZ BLUE
XT700-BL-EN

TACTICAL BLACK
XT700-BK-EN

PRODUCT SPECIFICATIONS

PACKAGED SIZE & WEIGHT*

Length: 2.5 in (6.3 cm)
Width: 1.5 in (3.8 cm)
Height: 7.25 in (18.4 cm)
Weight: 3.4 oz (96.4 g)

OPERATING SPECIFICATIONS

TRUFORCE™ Buckle technology auto-locks to engage strap holes within circumferential range:
5.75 in - 32.5 in (14.6 cm - 82.6 cm)

MODELS AVAILABLE

Tactical Black (XT700-BK-EN)
HI-VIZ Orange (XT700-OR-EN)
HI-VIZ Blue (XT700-BL-EN)
