STAVANGER XLT1000

STAVANGER
XLT1000

Robust suitcase wheels

Easy to clean
Cover material

Self-assembling centre divider with rubber loops, film pocket and mesh compartment for flexible material storage

2-part PVC case handle

Safety strap for oxygen module

Proven magnet system for hygienic cleaning

Stowable, ergonomically shaped shoulder straps for high carrying comfort with chest and waist straps

Rubber suit-case handle

Extendable trolley frame with 2-stage adjustment

Circumferential stiching for stability

Pull instead of drag!

The XLT1000 is the ideal companion for extensive company premises and hospitals, because it combines trolley, backpack and bag. Save yourself valuable energy for the job! The extendable handle can also be lowered and the backpack carried with shoulder straps. The magnetic system allows different sized storage modules to be freely placed in the backpack, so that the proven clarity and modularity is maintained.

- Proven magnet system
- Truck tarpaulin, Original-CORDURA® fabric and 3MTM Scotchlite reflective strips
- W 43 x H 56 x D 26 cm
  63 Litres
- 5,4 kg
