Baktolan® balm pure

Intensively nourishing fragrance-free replenishing water-in-oil (w/o) balm with vitamin E, panthenol and allantoin for dry and sensitive skin.

Characteristics

- Particularly suitable for a daily use
- Vitamin E, allantoin and panthenol moisturise the skin
- Relieve of skin irritation and redness
- Preserves the protective acid mantle of the skin
- Fragrance-free and free of parabens

Application

Baktolan® balm is used in all areas where the care of sensitive and exposed skin is of particular importance. The product is especially suited for the daily use as well as for distressing skin activities like hand-washing, the handling of aqueous solutions and wearing gloves over a long period of time. Particularly suitable for areas where the absence of perfume is important.

Directions for use

Baktolan® balm pure should be applied regularly after any skin-stressing activity. Apply a sufficient amount of Baktolan® balm pure to the back of the hand. First apply the balm back of hand to back of hand and then massage into the palms. Pay particular attention to the areas between the fingers and nail beds.
